LifePoint Church Fundraising Policy

Believing that we ought to live by the highest standard and that we should be an example to the world, we want to rely on God's promise that He is sufficient to provide for our every need – spiritual, physical and material. While this may mean that we will not do some of the great things we think we ought to do, our desire is to trust God to supply our every need to do all that we should do. We anticipate that this will normally take place as our people tithe and generously give to the work of the Lord through the church as opposed to special fund raising projects. (II Corinthians 9:8) In response to questions from various ones regarding methods of fund raising, the following guidelines are set forth:

1. No collections will be received during church services. Rather, offering boxes will be provided in The Commons and Worship Center for those wishing to participate in the giving to the church. (I Corinthians 16:1-2; II Corinthians 9:6-8)
2. Fund raising activities, such as car washes, garage sales, bazaars, bake sales, etc., for purposes of church sponsored activities should take place only with prior approval of the Board of Elders or Senior Pastor. The spirit of this cautious approach is to prevent a feeling of compulsion when people are asked to give as well as to prevent an atmosphere of business in our place of worship.
3. Solicitations in the church for purposes of outside fund raising activities (e.g., cookies, candy, etc.) will be strongly discouraged.
4. Sales of books, records, tapes, etc., by individuals or groups ministering in the church will be permitted before and after the service in which they participate.
5. When a number of individuals from LifePoint Church are all participating in the same short-term mission trip, one letter shall be sent representing all, rather than many individual letters. Funds donated may be designated for a specific individual or for just the general trip fund, which would be divided among those going.
6. Our desire is to present the need to God's people and rely on God to provide the material funds necessary to do that which God wants us to do.
7. All other fund raising activities will not be permitted unless there is a prior approval of the Board of Elders.
